

O Lord Please Remove Your Wrath From Us

By

Mohsen El-Guindy

I look around and contemplate. The whole world is in chaos. People got sick and die in thousands. The economy is stagnant and is getting lower and lower. People are frightened and remained at home because there was a vicious enemy outside threatening their lives.

I raised my eyes to the sky and said: “O Lord why this wrath you poured over our heads. We are weak and you are powerful. You are rich and we are poor, have mercy on us.

And it was from Allah that the answer came. It was a spiritual inspiration that showed me what He wanted to tell me.

He said: “I see bars and night clubs in the holy land Hejaz. I don’t need your prayers in the Ka’ba and your circling around it. I see you gather wealth thinking that it will render you immortal, forgetting that this world is an abode for one who has got no abode, and a property for one who has got no property, and one who has got no wisdom hoards for it. Do not fear poverty. I will provide.

“You accumulate wealth and possessions and forgot my commandments about wealth:

“They who hoard up gold and silver and spend it not in the way of Allah, unto them give tidings (O Muhammad) of a painful doom: On the Day when it will (all) be heated in the fire of hell, and used to brand the their foreheads and their flanks and their backs, and they will be told, ‘Here is that which you hoarded for yourselves. Now taste of what you used to hoard.’” (Al-Qur’an 9:34-35).

“I created man in the fairest stature. I honored him. I gave him the noble shape of a human being and told the angels to prostrate to him. I preferred him over many of what I have initially created. I blessed him with a perfect mind that can think, utter and hear. I created him in the best form and shape. I singled him out from the rest of My creation and subjected the land and sea to him as means of honoring him. I made the earth a resting place for him, and the sky as a canopy, and sent down rain from the sky and brought forth therewith fruits as a provision for him. Yet you set up rivals unto Me in worship while you know that I alone have the right to be worshipped.”

I said: “O Allah! Be witness that we Muslims worship you alone without associating with you any partners. Our Prophet Muhammad is just a Messenger who delivered Your Message with utmost sincerity and we followed his path of monotheism.”

The Lord said: “The monotheists are my devoted servants. The disbelievers and the polytheists are the fuel of hell. The whole world must understand that religion with Allah is Islam and no other. This is the Message that all prophets since Adam to Abraham, Moses Jesus until Muhammad had been sent with. It meant that your Lord is One and no other. It is My right to be worshipped alone without partners. But some of you have changed their scriptures and worshipped me with others. I forgive all sins except associating with me partners.”

I said: “Allah you watch and hear all what we do. We Muslims worship you alone – we are purely monotheists.”

He said: “All prophets came with the Message of monotheism – all came with the Message of Islam. In my religion there is no Judaism or Christianity. There is only Islam. Muhammad is the last prophet of Islam. Christianity means Christ followers. The name Judaism came from the country Judea. These are not the names of my religion. They

are not but names yourselves have named and your fathers. I'm One God, I'm no father, no son, no Holy Spirit. I am not three in one or one in three."

I said but people follow the religion of their fathers. This is how they found their fathers worshipping. It's hard to change their belief to something else."

He said: "They shouldn't have blindly followed the religion of their forefathers without thinking!"

I said: "O Allah, God of the universe. Have mercy on your servants. They are weak. Guide them to the right path."

He said: "I have inspired the prophets to deliver the Message of monotheism to My servants. But people either ignored My Message or killed their prophets. I've sent divine Books; the pages of Ibrahim, the Zabour (Psalms) of David, the Torah of Moses, and the Gospel of Issa. But these Books had been either lost or adulterated. Verses have been added, removed, and modified to alter their meaning. But I am Merciful and Generous to my servants, so I sent one last Book – the Koran. It is the exact and unaltered copy of that which I revealed to My last prophet Muhammad nothing less and nothing more. The Koran correct any errors in previous holy books such as the Old and New Testaments. The Koran confirms the Scriptures that came before it and is a reference to what the prophets of old has said to their people without the slightest deviation. People astray or confused can go back to the Koran and know the truth. The Koran is there for them to read. I have assuredly sent down the Koran and I have assuredly guarded it from corruption.

I said: "O Allah, have mercy on your servants, they are trying hard to follow your path of monotheism. Now I see the Christians are praising

your 99 beautiful names in the churches. Some are even setting up the Muslim call to prayer in their churches. Europeans are now allowing the building of mosques in their cities.”

He said: “As I said in the Koran: “I shall ordain my Mercy for those who are conscious of Me, and pay the prescribed alms; who believe in Our Revelations; who follow the Messenger – the unlettered prophet they find described in the Torah that is with them, and in the Gospel – who commands them to do right and forbids them to do wrong, who makes good things lawful to them and bad things unlawful, and relieve them of their burdens, and the iron collars that were on them. So, it is those who believe him, honor and help him, and who follow the light (the Koran) which has been sent down with him, who will succeed.”

I said: “O Allah. Give them respite. They may need time to follow your path. Pope Francis of the Catholic Church announced to his people two months ago that Jesus is not God or the son of God but only a messenger. This is an improvement by itself.”

He said: “What are they waiting for? The signs of the Hour are already here. It will come upon them unawares. Once it arrives what use will it be then to take heed? To every nation a term, when their term comes, they shall not put it back by a single hour nor put it forward.”

I said: Allah, God of the universe, your religion has been attacked. The Koran you valued; they doubted its authenticity. They claimed that Muhammad invented the Koran and that it was a theft from the Bible. They defiled the Koran and burned it. They attacked your prophet and slandered him. They called him a brigand, a womanizer. They accused us Muslims that we worship a moon god, a monkey god. Islam, your only true religion, was accused of fraud, and violence; and we Muslims were pictured as terrorists and blood thirsty. And after all these iniquities, they came to the Muslim world to steel, loot and ravish. They

tore our countries apart. The man whom you honored and preferred, was killed in millions and so his women and children. The women were raped and sold in slave markets. Decent families were dispersed on the borders of foreign countries without food, water or shelter. Muslim countries were divided into sects and factions warring among each other and living in sectors without borders. They stole our wealth saying they are the most powerful. Who can stop us? We are the strongest.”

“Yes.” said the Lord. I watch, I listen, I see. They have crossed all limits. Islam is a universal religion. I sent it not only to the Arabs but to the world entire. I sent Muhammad with the Koran to bring people from darkness to light. But they only wanted to stay in the dark. They mocked at my religion and at the prophet who delivered the Message with all honesty and advised the nation. They fight Islam but I made it spread vigorously in their own countries. The more they fight Islam, the more I make it expand and grow. It’s my religion and none would dare fight it.”

I said: “Oh yes, my Lord. prophet Muhammad promised that Islam is going to spread to all over the world. He said that Islam will certainly reach every place touched by the night and day. He said that You will not leave a house of mud or [even] fur except that You will cause this religion to enter it, by which the honorable will be honored, and the disgraceful will be disgraced. He said that you will honor the honorable with Islam and will disgrace the disgraceful with unbelief. He also said that You have gathered up the earth for him so that he saw its east and its west; and that the dominion of his nation will reach what was gathered up for him from it.”

Allah said: “They were arrogant when they said they are the strongest, the most powerful. The arrogance of power blinded them. I am the King, I am the lord. I am Allah, the only God of the universe. I am the strongest, I am the mightiest. I will chastise them in the present life and in the Hereafter hell fire will be their abode for eternity. I sent them a

mini tiny organism that killed them by thousands. Why don't they fight it with the might they claim they have? Why don't they destroy it with their superpower? Where are their nuclear heads? Where is their high technology? I see them weak, crippled; I see them shackled and disabled against just a small organism I sent to teach them a lesson. They crossed all legitimate limits. They committed every sin I forbade. Lesbianism, male homosexuality, gambling, alcohol addiction, fraud, killing, rape, committing suicide became a social norm. I shall afflict the transgressors with severe calamities in the present life and in the Hereafter, they will surely be thrown into the Crusher. Do you know what the Crusher is? It's Allah's Fire made to blaze, which rises over people's hearts. It closes in on them in towering columns."

I raised my hands and supplicated to Allah: "Oh Allah, You are my Lord, there is none worthy of worship besides You. You created me and I am your slave. I abide by your covenant and the promise I made to You as much as I can. I seek refuge in You from the evil that I've done. Before You I acknowledge Your blessings bestowed upon me and I confess my sins to You. So, forgive me, for surely no one can forgive sins except You.

"My Lord, I have wronged myself, and if You do not forgive me, and have mercy upon me, I'll surely be among the losers.

"I seek forgiveness from Allah who there is no Ilâh to be worshipped but Him. The Ever Living, the sustainer and I repent unto Him."
